Sentence to Annotate

<https://universaldependencies.org/guidelines>

If the weather is nice, I think we will throw a party in the garden of their house.

- ▶ Focus on syntactic relations and part-of-speech tags
- ▶ Identify clauses and their relations
- ▶ For each clause:
 - ▶ Identify dependents of the predicate
 - ▶ Identify additional modifiers and function word dependents

If the weather is nice , I think we will throw a party in the garden of their house .
